From the Principal
When I was a young fledgling Deputy, my Principal often said that he might not always agree with me but he would always listen. It's a maxim that I hope I have also kept true to. I genuinely like to receive feedback, good and bad, as it keeps us from becoming complacent and helps us to seek improvement. We are currently conducting a Parent Survey and we would like as many parents as possible to complete it to give us a good understanding of how we stand in the community, what we are doing well and areas where we could improve. If you follow this link it should take you straight to the survey. It should only take a few minutes and we will really appreciate your contribution.

In-Term Swimming
Our swimming lessons are early in term 4 so we have sent out all the information so that we can all get organised in good time. Thank you to all the parents who have already paid and sent in their forms. If we could get everything organised by the end of this term that would be fantastic. We have kept the cost down this year so hope that all our students can participate as it is part of our Phys Ed program, as well as the obvious benefits of safety and fitness.

School Photos
The photos have all been completed and are currently at ‘Proof’ stage. As soon as they are available we will send them home. From what we’ve seen so far they look great.

Maths Games
We are looking for parent volunteers to help laminate some Maths games. If anyone is free to assist on Monday afternoons for the rest of this term, please contact Mr Vine in Area 15.

The Minister of Education’s visit
Last Friday the Minister for WA, Peter Collier (no relation) visited our school. He met the staff and visited every classroom and showed a genuine interest in the students and what they were doing. His parting comments were very complimentary for our school and he seemed to be genuinely impressed with his visit, the students and their achievements.
School Banking

Get involved in the School Banking program at Springfield Primary every Wednesday morning before assembly in the undercover area!

Springfield Primary School is excited to offer the Commonwealth Bank School Banking program to all students. The School Banking program provides children with an opportunity to deposit money into their Commonwealth Bank Youthsaver account at school each week. The program is about how often your child makes deposits, not how much they deposit.

To encourage regular savings behaviour the program offers an exciting Rewards Program. Every deposit earns your child a silver Dollarmites token, and once they’ve collected 10 tokens they can redeem them for a reward.

Uniform Shop

This term the uniform shop will be open on WEDNESDAYS from 8.20am to 9am.

Canteen

Rice paper rolls will be available at the canteen every Thursday. They will cost $3.00 and are available in prawn, chicken and vegetable.

Canteen Roster

- Friday 2 Sept: Sarah
- Thursday 8 Sept: Berenice
- Friday 9 Sept: Marnie
- Thursday 15 Sept: Kylie

COMMUNITY NEWS

Busy Mum, Dad or Teacher, needing to de-stress and recharge?

Join us at our next FREE Introduction to Meditation Workshop, Monday 10th October at 7:30pm - 8:30pm. Learn how to switch on the relaxation response easily and effortlessly. This workshop includes short practices you can do through out your day, to relax, refocus and recharge. As well as longer practices to get a feel for what meditation can do for you.
